PEDESTRIAN DECK WARRANTY

This WARRANTY is presented to:
Name: _____
Address: _____
Project: _____
Address: _____
Application Date: _____
Area Treated: _____ sq ft.

SINAK Corporation warrants that LithiumCure 1000 and HLQ-125 (The SINAK Pedestrian Deck System) are of the highest quality as measured by exacting manufacturing standards. When applied in full accordance with written application instructions, the SINAK Pedestrian Deck System will provide a waterproof barrier within the treated concrete for a minimum period of 20 years from the date of application. The treated area is warranted against damage from water, freeze/thaw, salt, acid rain, hydrostatic pressure, and surface deterioration due to reinforcing steel corrosion. The applied products will not degrade or deteriorate due to ultraviolet exposure. This warranty will remain in effect should the surface be marred or abraded during construction and surface preparation is allowed up to 1/4" amplitude. This warranty is non-prorated and transferable should the property be sold or transferred during the warranty period.

CONDITIONS

Concrete treated with the SINAK Pedestrian Deck System must have been mixed, placed, and finished in accordance with guidelines by the ACI (American Concrete Institute) Guide to Concrete Floor and Slab Construction; 302.1R-15. This warranty only covers failures from causes listed above. Concrete containing any of the following is not covered by this warranty: aggregate considered deleterious as noted in ASTM C33/C33M-16, section 7.3; and "Causes of Floor and Slab Imperfections" in the ACI) Guide to Concrete Floor and Slab Construction; 302.1R-15, Chapter 13 part 13.6-13.8. Admixtures containing chloride, silicate or water repellents are not covered under this warranty. Chemicals and contaminants introduced by the underlying soil are not covered under this warranty. Improper installation, use or defects associated with preparation materials, or coatings are not covered under this warranty. Damage caused by movement of joints and cracks is not covered under this warranty.

REMEDY

SINAK will WARRANTY that concrete surfaces treated with the SINAK Pedestrian Deck System will waterproof concrete per certified RILEM Tube Test for twenty (20) years. In the event of failure of the waterproof barrier or related damage and under the above conditions, SINAK will provide materials to retreat and/or repair the affected area(s). *Retreated or recoated area(s) shall be covered for the remainder of the warranty period Only certified RILEM Tube Test may be used to establish failure. This is our only warranty. We make no other warranty, express or implied, including merchantability or fitness/or a particular purpose.*
