HS-30 WARRANTY

This WARRANTY is presented to:
Name: _____
Address: _____
Project: _____
Address: _____
Application Date: _____
Area Treated: _____ sq ft

SINAK warrants that HS-30 is of the highest quality as measured by exacting manufacturing standards. SINAK warrants that when applied in full accordance with written application instructions, HS-30 will provide a protective wear surface and will not yellow, peel, delaminate or blush for a period of five (5) years. The HS-30 warranty coverage begins on the date of application and remains effective for 5 years. This warranty will remain in effect should the surface be damaged during the construction phase.

CONDITIONS

This warranty does not cover failures from causes other than delamination, peeling, yellowing, blushing, or separation of the HS-30 from the treated substrate.

Chemicals and contaminants introduced by the underlying soil are not covered under this warranty. Topical intrusion of moisture or chemicals is not covered under this warranty. Improper installation, use or defects associated with preparation materials, adhesives, flooring goods or coatings are not covered under this warranty. Damage caused by movement of joints, cracks, or grout finishes are not covered under this warranty.

REMEDY

In the event of failure of HS-30 from the substrate; and under the above conditions, SINAK will provide materials to retreat and/or recoat the affected area(s). *Retreated or recoated area(s) shall be covered for the remainder of the warranty period.. This is our only warranty. We make no other warranty, express or implied, including merchantability or fitness/or a particular purpose.*
